

# 2023 Expressions of Interest

Open Session

ENGINEERS  
AUSTRALIA

Monday 26 June 2023

# Acknowledgement of Country

Engineers Australia acknowledges the traditional custodians of the country throughout Australia and recognises their continuing connection to land, waters and community.

We pay our respects to them and their cultures;  
and to elders past and present.

*Today I am presenting from Gadigal Country.*

# Essential Information

- In 2023, 115 groups across Engineers Australia will be participating in the EOI process.
- Initial communications have been sent via email to all current members of each group in the process.
- The purpose of the EOI process is to implement consistent governance principles and procedures for the selection of committee members. It provides an open and transparent process that is open to all eligible members.
- A quick reminder that we have the Office Bearer and Volunteer Hub available to you all.
- Any questions please direct them to [eoι@engineersaustralia.org.au](mailto:eoι@engineersaustralia.org.au)

# Timescales

- This year the process opens on 17 July 2023 and closes on 23 September 2023, this is a period of 9 weeks.
- Following the closure of EOIs there will be a two-week administration period.
- From 9 October 2023 all eligible EOIs will be issued to the relevant nomination's committees for review and finalizing.
- All positions from the EOI process will be confirmed by 30 November 2023.

A close-up, shallow depth-of-field photograph of a hand reaching upwards, with fingers slightly curled. The hand is in sharp focus, while the background is a blurred crowd of people, also with some hands raised, suggesting a public event or a Q&A session. The text 'Q & A' is overlaid in a bold, red, sans-serif font in the center of the image.

**Q & A**
